Thank you for trying out on-line medical care with us today.
Your health is important to us.

If the doctor prescribed any medications for you the prescription will be sent directly to the pharmacy.

A copy of the doctors recommendations will be available in from your online account in about 15 minutes. Make sure you remember the password you chose today!

To see your doctors recommendations, use any computer to go to <http://consult.relymd.com>. Then click on "Login" in the upper right hand corner. Enter your username and the password you chose. After you login, click on "My Health Record" in the upper right hand corner.

If you run into any problems, please call our 24-hr technical support line at 1-855-384-6688.
