

HEALTHCARE THAT FITS YOUR SCHEDULE

AN EASY & CONVENIENT WAY TO GET MEDICAL CARE FAST

24/7 ACCESS TO VIRTUAL CARE

Your employer offers the unique benefit of accessing a healthcare provider 24/7/365 via mobile app, web browser or phone call. This service is provided to save you time, money, and to get you feeling better faster in an easy and convenient way. The average wait time to see a provider is fewer than 10 minutes.

WHEN TO USE RELYMD

- When your primary care physician is closed
- When you require care now & can't wait for an appointment
- When considering an ER or Urgent Care visit for a non-emergency
