

Employees Love RelyMD

24-7-365 access to highly experienced emergency medicine providers

Can receive medical treatment without leaving their home or office

RelyMD has an average wait time of less than 10 minutes

9 out of 10 Patients Don't Need Additional Care after Using RelyMD

 RelyMD was able to completely resolve patient's medical issue

 RelyMD provided referral for patients to seek follow-on care

"I am much more likely to seek necessary medical care because of the convenience and accessibility of this service. My experience was completely positive."

"The fast response from the RelyMD provider was outstanding. Not having to call and schedule an appointment some three days later or go to the emergency room or go to a doc-in-a-box facility was very beneficial to me."

Patients Love RelyMD and Experience Significant Benefits

"Absolutely wonderful! Recommended it to all my co-workers. The provider was professional, courteous, thorough and discreet. Without a doubt, a top-notch service!"

RelyMD Makes a Positive Impact In Patient's Lives

98%

Agree that RelyMD helped them get back to work faster

87%

Agree that RelyMD saved them time in their personal life

"This saved me a very long visit to an urgent care and the large co-pay."

"I used RelyMD for my child on Easter Sunday. It allowed us to spend more time with family rather than waiting at an urgent care. She also made it back to school on Monday. Extremely happy!"
