"This was so quick and easy! I had been seen and was able to pick up medication within 20 minutes as opposed to waiting a day or two to be seen in person. **HIGHLY RECOMMEND.**"

-RelyMD Patient

"I fell and was really worried that I'd have to go to an emergency room at night. Dr. Franke made me feel at ease with waiting until the morning and instructed me to go to an orthopedist. So much money and time saved by using RelyMD!"

-RelyMD Patient

"Incredibly fast. Very friendly, no-nonsense physician. Appreciate his help!"
